Many many years after the death of the Prophet Musa عليه السلام, in the eleventh century B.C., there was much unrest among the Banu Israil due to the Philistines, Amalekites, Amorites and other tribes trying to take their homeland away from them by force.

Then the Prophet Shamwil (Samuel) عليه السلام made Talut (Saul) their king and he fought with the Philistines. His army fought and defeated the enemy.

Dawud عليه السلام, who was in his youth, also took part in the battle. He slew Jalut (Goliath), the commander of the Philistine army.

In this way Dawud عليه السلام became very popular and was made the king.
