An artistic illustration of a mosque. The scene is dominated by a large, golden-brown minaret with intricate architectural details and a pointed top. To its right, a large, dark, ribbed dome is visible. The sky is a deep, vibrant blue, suggesting dusk or dawn. The overall style is painterly and dramatic, with strong contrasts and a focus on the geometric forms of the architecture.

The *surah*, or chapter 24 of the Quran is known as "The Light." This *surah* describes the true faith in the form of a story...

"Allah is the Light of the
heavens and the earth..."

A stylized illustration of a blue domed niche. The niche is set within a larger archway. The walls are a vibrant blue, and the dome is a lighter shade of blue. A small, arched window is centered in the lower part of the niche, with a colorful, geometric pattern above it. The archway is decorated with intricate, golden-brown patterns. The overall style is reminiscent of Islamic art.

“His light may be compared to a niche
that enshrines a lamp...”

“Whose oil would almost shine forth,
even before the fire touched it.
